

## Hoops Plus New Operating Procedures (effective Jun 12, 2020)

### Patrons/Participants Protocol

- CHECK-IN Station
  - Complete and hand over health screening questionnaire to staff
  - Staff conducts temperature check using contactless thermometer
    - ***Anyone registering temperature > 100 deg F will not be permitted into facility***
  - Sign new covid-19 waiver form
  - Hand sanitizer will be kept at station
- WASH your hands with soap and water for 20 seconds
  - Before your session - use unisex restroom in reception/lobby
  - After your session - use M/W restroom inside gym
- All PLAYERS to wear mask/face covering inside facility except while on court during training/practice
- Each player to bring their own personal hand sanitizer
- Each player to bring their own personal water bottle
- Each player to bring their own personal gym bag
  - Leave bags on marked spots (8 feet apart) on blacktop area inside gym
- Coaches and Trainers MUST wear masks at all times during allocated practice/training session
- Coaches MUST start and end practice session on time
- Coaches can schedule multiple sessions on same day with staggered times (min 15 minutes between sessions) to allow coaches/staff to sanitizing balls/equipment
- Coaches or parent volunteer must SANITIZE set of balls and equipment before and after each session
- Players to adhere to "Return To Play" protocol as communicated by their coaches, organization or club
- Only coaches/players allowed inside facility and court areas; parents can drop off and pick up players before and after session
- No lingering of players or patrons in the lobby area
- ENTRY into facility and EXIT of patrons from facility will be separate
- TAKE all personal belongings before leaving facility; these will not be stored in 'Lost & Found'

## Facility & Front Desk Staff Protocol

- Daily cleaning AND disinfectant using special **EPA-approved disinfectant/germicide**
  - Court floors, black top area, tables, chairs, reception desk, pads
  - Door handles, sinks, faucets, countertops, light switches and any non-porous contact surfaces
- Hand sanitizer and contactless foam soap available in the lobby
- Restrooms will be checked to ensure there is always hand soap and paper towels
- Staff to conduct temperature checks for every customer.
  - Any person with temperatures > 100 deg F will not be permitted into facility
- Staff to wear face coverings/masks and especially when in presence of patrons
- Staff to wear gloves while handling all equipment: Ball carts, Volleyball/Basketball equipment.
- Staff to wipe/disinfect all equipment/pads at initial setup and takedown (last session of day)
- Facility will post signs on social distancing, hand washing, wearing masks & personal hygiene reminders
- Common areas such as party room will be closed
- All bleachers, chairs and tables will be removed to minimize contact surfaces; sanitized table/chair/scoreboard will be provided only for tournament
- Onsite water fountain will be closed
